Stephen, for clarification, please provide the amended access agreement to all of the parties, including those where access has already been obtained. Failure to do so may be in violation of the Admin Order.

Also, I provided Paul Supak with Margaret Garrett's physical address in Aransas Pass. She attended the community meeting and mentioned that she owned the adjacent residential property we had delineated on the maps.

Thanks.

Hello Stephen:

The attached agreement looks fine now that the required provisions are incorporated. One final edit - to the cover letter. The correct name of the sampling plan in the RI/FS AOC is Remedial Investigation and Feasibility Study (RI/FS) and not Expanded Site Inspection (ESI). Please change the name in the cover letter to the correct name of the sampling plan before you send the amended agreements to

9567210

the parties.

Thank you,
